

COVID-19 GUIDELINES AT FOX VALLEY ORTHOPEDICS

Throughout the pandemic, Fox Valley Orthopedics has followed the most up-to-date health and safety guidelines as recommended by the Centers for Disease Control and Prevention (CDC).

In early May, the CDC ended the COVID-19 public emergency, but encouraged testing if any of the following symptoms are exhibited:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

**IN ACCORDANCE WITH THE CDC
IF YOU TEST POSITIVE FOR COVID-19,
PLEASE ISOLATE YOURSELF FROM OTHERS FOR A
MINIMUM OF 5 DAYS AFTER THE TEST DATE.**

Face Coverings Are Optional

In keeping with health guidance from the CDC, Fox Valley Orthopedics does not require face coverings inside our facilities.
